FOR SALE,

I will sell two Tracts of LAND

lying and being in Allegany county in the state of Maryland; one called and known by the name of "Harvey's Meadows" patented 31st December 1805, for 341 acres, near Shellys or Sellys Little Meadows; the other "Mount Parnassus," patented 31st December 1805, *for* 298 acres; this tract lays on a branch of Savage river about five miles below the Little Meadows. I have never seen these lands, consequently know nothing of their value. Mr. Thomas Beall of Cumberland who is well acquainted with the above land informed me they were as valuable as any in that part of Maryland. Daniel Clark and Robert Cowden Stone, esqs. also informed me that from their acquaintance with the situation of the aforesaid tracts of Land they must be of an excellent quality.

Any person inclined to purchase, it is presumed will view before he contracts. A great bargain may be had for cash, or good paper on a short credit—a good and indisputable title will be given when the land is paid for. For terms apply to the subscriber in Upper Marlborough Prince Georges county.
