Scope and Content

The 1978 Neptune Plaza Concert Series Collection consists of manuscript and print materials, audio recordings, and graphic materials that document the 1978 concert series sponsored by the American Folklife Center. The annual series, which began in 1977, features the presentation of folk traditions from many cultures. The concerts took place on the Neptune Plaza at the front of the Jefferson Building of the Library of Congress between April and September. Adverse weather conditions sometimes forced the concerts indoors. The 1978 series was produced with the assistance of the National Council for the Traditional Arts.

The 1978 season consisted of the following:

Date	Performers	Place of Origin	Subject
April 28	Joe and Antoinette McKenna	Ireland	Irish music
May 11	Graham Townsend and Maple Sugar	Canada	French-Canadian music and contradance
