"Another clean dress"

"It seems as tho' I do nothing but put clean dresses on that child."

And yet you do like to keep the children fresh and dainty. You want to have your friends drop in at any time and find them all sweet and clean.

Fresh dresses always ready to put right on

You will find you can have plenty of fresh dresses always on hand; you can be proud to have the neighbors see the children at any time if you will try using Lux.

Lux is the new soap product, pure essence of soap in flakes. It whips up into a foamy, frothy lather that cleans the garments without any rubbing. So soluble are the transparent flakes that every single bit of the soap rinses out of the clothes immediately, leaving not one particle to stain or weaken the fabric.

Try it on the baby's woolens. Try it with hot water. It actually won't shrink them a bit. Any fabric you would trust to pure water you can use Lux on—silks, laces, even chiffons.
