Des nuées de duvet ne sont pas plus douces; les ailes de la mouette agile ne sont pas plus blanches; le contour des fées n'est pas plus fin que ne l'est mon charmant talc Djer-Kiss. —*Kerkoff, Paris.*

Translation:—Feathery clouds are not more soft, wing swift gulls are not more white, fairy forms are not more dainty, than is my fascinating Djer-Kiss Talc.

Le talc de distinction

Madame, Mademoiselle: If only you could see with what infinite care, with what pride and distinction, we here in Paris soften and fragrance Djer-Kiss Talc, you would prefer it instantly for *your* talcum powder. Captivating is its exquisiteness, captivating its *charme Parisien.*

C'est vrai. I would like well to have you try it. Please do so. You may find it in any good shop—yes, today.

The Nestlé Permanent Hair Wave

Nestlé Waved

There are still a large number of people who think that permanent waving is done solely by a "machine." Our customers think differently. Those who have come several times notice the improvements due to the increased experience of our operators. In experience Nestlé's stands unique. Not only that the original Inventor of permanent hair waving is supervising, but his staff does no other work summer or winter. Between 20 and 30 waves are now given daily, and nothing but the highest praise is invariably the result.
