THINK of the injustice done to your children or your friends by denying them the cool shade and blessed company of some great big trees. Keep the kiddies where they belong, on your own grounds, and add beauty, prestige, realty value, and inviting comfort to your home, by investing in a few big trees. But don't deal in futures—little shadeless sticks or tree hopefuls. Get all your tree dividends right away—put it up to us to place full-grown, noble specimens in full leaf on your lawn within a couple of days—that is our specialty—we do it well and economically—and we have done it so often that we *guarantee* complete success. Get the full story from us (which doesn't obligate you)—by phone, personal call, or writing.
