HOTEL BELLECLAIRE

NEW YORK

Broadway at 77th St.
Surface Cars at Door
Subway at 79th St.

Only a few minutes from top shopping and theatrical district.

There is not a more inspiring sight at night, anywhere in New York, than the American Flag, lighted by electricity, which flies from the flagpole at the top of the Hotel Belleclaire.

It has not been flying there only recently, either. It has been flying day and night, month after month, for many months.

We who live in the Belleclaire probably do not love the Flag any more than other good American citizens but we love it enough to wish it to fly for us where we can see it every day and every night.

Our guests, from all parts of the country, say to us:—"The Flag never looked so beautiful to us as it does at night, from the top of the Belleclaire."

This is just a bit of American sentiment which we tell you about only because it will do you good to fill your heart with it, and to never let it get away from you.

The Gladiolus is one of the most satisfactory flowers grown because it blooms continuously when it is cut and put in water, just as well as when in the ground.

There is no reason why every family cannot enjoy this grand flower, for the simple reason that it is as easy to grow as the potato. You can have them in bloom from July to frost if you plant a few bulbs each month from April to July. For only ONE DOLLAR we will send 75 Bulbs of our Grand Prize Mixture, which covers every conceivable shade in the Gladiolus kingdom.

Last year we sold thousands of these bulbs and have received numerous testimonials as to their merit. ORDER YOUR BULBS NOW so as to have them to plant when you begin making your garden.

Simple cultural directions with every package.
Mail this advertisement with Check, Money Order, Dollar Bill or Stamp, or present at our store, and secure this splendid collection of Gladiolus Bulbs for only \$1.00, sent prepaid anywhere in the U. S. with our 1917 Spring Catalogue.
