

Silverbloom

Reg. U.S.Pat.Off.

"Our Colors are Fast"

SILVERBLOOM is the *one sport fabric* that subjected to the hardest wear and successive tubbings, will still retain its original beauty, losing nothing of its silvery lustre.

Once tried you will continue to wear it and recommend it to your friends.

Inexpensive, smart, practical.

Send for samples of our famous sport stripes if your retailer has not already supplied you.
