The AMPICO Reproducing Piano

The Charm of Distant Music

YOU and your guests enjoy the evening out of doors, while from within come the magic tones of a beautiful nocturne, played by invisible hands. Each note as precisely struck, each phrase as delicately executed as if the artist himself were at the piano—that is the miracle of the Ampico, which reproduces in all its charm the very spirit of the master pianist's art.

 Managing Director

The Belleclaire is where good people flock together. Even in New York people want to get away from the bright lights and enjoy quiet, refined environment.

They especially enjoy dining where they are free from everlasting clatter and chatter.

It is unusual for so many people to be served in a dining room where there is absolute freedom from disturbing noises—but Belleclaire guests all seem to feel that they occupy tables in a home instead of a hotel and, therefore, they conduct themselves accordingly.

There, again, the home cooking and service are important elements in sustaining the Belleclaire atmosphere, which is so appealing to so many people.

We think we have the most unique hotel in New York. All of the elements harmonize, with the result that all guests feel perfectly at home. Drop in.
