**The "WIZARD"**  
A New and Wonderful Alarm Clock Reminder

60 CUBIC INCHES OF USEFULNESS

No other clock like the WIZARD—it does what no other clock can do. Its computing bezel precision feature alone opens up a field of usefulness for the WIZARD beyond the sphere of any other alarm clock. It will notify at any predetermined time, minutes or hours away, always at the exact minute. It will set from the face instantly for any fractional interval and alarm, stop and reset automatically when computing bezel is turned to another minute's interval. It alarms with loud ring or signals with soft buzz as desired. All with ease of operation. All with absence of complication. The WIZARD is the best made and most useful alarm clock reminder on the market. Not how many we can produce—but how well we can produce them.

The WIZARD saves daylight, time and money, and is fully guaranteed. Delivered promptly to any U. S. post office address, postage prepaid, on receipt of price, \$3.50. Send for booklet. Phone Broad 2515.
