Pompeian Beauty Powder
Adheres without showing

"Just try it"

"The perfume that you so admire is in my powder—Pompeian BEAUTY Powder. Isn't it delightful? And it lasts through the evening just that way, an elusive, fascinating sort of fragrance on face and neck."

"Just try it. I couldn't do without my Pompeian BEAUTY Powder and I'm sure you will feel the same way after you have used it."

A powder that is not visible on the face as powder but that adheres to the skin, blending with and imparting a soft pearly lustre; lasting through the evening; doing away with that warm, unattractive look that comes with dancing; and helping to keep the skin smooth and soft when cold winds blow.

Pompeian BEAUTY Powder is just as necessary to the exquisite woman as are the other Pompeian Beauty Aids—Pompeian NIGHT Cream, Pompeian MASSAGE Cream, Pompeian DAY Cream (vanishing). It holds the same important place for every-day use.

Get it in the shade that blends with your complexion—white, flesh, or brunette—see for yourself how Pompeian BEAUTY Powder beautifies the skin. Priced 50 cents.

It comes in three shades—light, dark, and medium (the popular shade), so that it is possible to choose one that blends with your own coloring, giving a youthful, natural bloom. In vanity box, with French puff and mirror. 50c.
