

December 10th Last Day at the Low Price!

If you send this coupon at once you can get your set of Mark Twain at the present price based on former low prices on paper. We have kept the price low on these books because Mark Twain wanted every American home to own his books at a reasonable price, in good binding, with fine paper, and clear type.

A flood of orders on Mark Twain has used down to the last sheet all the paper that we could get even at a fairly reasonable price.

And the low price sale must close—paper costs too much—cloth—everything that goes into the making of books—has climbed to such heights that we estimate our present supply cannot last very much longer. So after December 10th we must raise the price on these sets.

Get your set now at the low price—while you can.

MARK TWAIN

His Spirit Cheers and Comforts a Tired World

In him a tired world finds relief—finds laughter and cheer.

But in him there is something more than just joy, there is life, and knowledge, and sympathy. For now that Mark Twain has passed on and the charm and magnetism of his presence is no longer here, we can see more clearly than ever the greatness of his genius.

More than ever we can see under the laughter the

philosopher. For this country has produced no greater thinker than Mark Twain. And never has there been a citizen of this country so magnificently welcomed in England, so beloved on the continent of Europe, so eagerly read in Asia and Australia. Even the Chinese read Mark Twain. And if they must have his books, surely you must have the work of this greatest of all Americans.

His fame spread through the nation. It flew to the ends of the earth, till his work was translated into strange tongues. From then on the path of fame lay straight to the high places. But his troubles were not over. At the height of his fame he lost all his money. He was heavily in debt, but though 60 years old he started afresh and paid every cent. It was the last heroic touch that drew him close to the hearts of his countrymen.

A Real American

Mark Twain was a steamboat pilot. He was a searcher for gold in the far west. He was a printer. He worked bitterly hard. All this without a glimmer of the great destiny that lay before him. Then, with the opening of the great wide west, Mark Twain's genius bloomed. He had found his great place.

The world has asked is there an American Literature? Mark Twain is the answer. He is the heart, the spirit of America. From his poor, struggling boyhood to his glorious, splendid old age, he remained as simple, as democratic as the plainest of our forefathers.

DON'T MISS THIS OPPORTUNITY

25 VOLUMES
